

Agile: Permanent Acceptance

The following questions keep getting flagged, and have been reviewed by Turks at least twice, but not rejected. These questions are currently not in circulation, but have not ended.

Make a selection to either permanently accept (question will re-enter circulation, and future flagging will be ignored) or reject each question.

Question:

What color is my hair?

- ☒ Permanently Accept
- ☐ Reject

Question:

If you want hair like mine, you should use ms. Clairol color perfection, which you can buy at www.msclairol.com

- ☒ Permanently Accept
- ☐ Reject
